- Vice President of Vanderbilt's Google Developer Student Club, Editor at The Vanderbilt Vanguard

Sherman Oaks Center For Enriched Studies

High School | Aug 2016- June 2020

- GPA: 4.31 | Rank 9/244
- President of Model United Nations, President of National Honor Society, President of The Samaritan Project, Varsity Tennis Captain, Vice President of Tennis Club, Silver Presidential Award for Community Service

WORK EXPERIENCE

Business Development + Care Delivery Intern | Humana

Care Delivery Organization | May 2021 - August 2021

- Analyzed over 48,000 data points and created a dashboard using Power BI and Excel to draw quantifiable conclusions
- Discovered most frequently taken courses, longest courses, and spiked periods of new hires for all user's learning courses.
- Facilitated and led a discussion of 40 co-workers on the dysfunctions that affect our team and helped explore solutions for our team's inefficiencies.

Founder and App Developer | Tread Lightly

Apple Developer Program | Sep 2019 - Oct 2020

- Coded a prototype news app for Generation Z, targeting the shrinking attention span in the new generation
- Led journalists and artists to publish 300-500 word articles and caricature-like artwork on the app and website

Marketing Ambassador | School On Wheels (401c)

School On Wheels, Inc. | Sep 2018 - Dec 2019

- Broadcasted and created content to advertise the latest news on social media
- Recruited tutors and students

Functions Intern | Los Angeles City Hall

City of Los Angeles | May 2017 - Aug 2017

- Targeted unmaintained roads and reported them for maintenance
- Collaborated with underfunded communities to help meet their needs

ACTIVITIES

Vice President | Vanderbilt's Google Developer Student Club

Google Developers | Aug 2020 - Present

- Led the front-end to create the UI/UX of our projects
- Taught 8 front-end developers how to use Dart and Flutter to develop websites

Editor | The Vanderbilt Vanguard

vanderbiltvanguard.com | Aug 2020 - Present

- Concentration on technology and entrepreneurship
- Guided journalists to publish articles for Vanderbilt's STEM newspaper
- Revised and polished journalists' articles every 2 weeks
